**Federal Tax ID# 13-3352744**

Dear Mrs. Martino:

Based upon the information furnished on your prequalification Application, the New York City School Construction Authority (SCA) has requalified your firm to submit bids/proposals for SCA projects for a period of three years until **June 9, 2017** for the following(s): **Copier Supplies** (80045) and **Computer-Hardware/Software** (86020).

However, prior to performing work for a specific SCA contract, the SCA must first approve your firm in writing. Although requalified with the SCA, your firm will be subject to a full responsibility determination at the time of consideration for any specific contract award.

Furthermore, we remind you that your firm's status as a "Requalified firm" is always subject to review. You must submit in writing to the NYCSCA any substantive changes to your prequalification application as soon as possible, but no later than (30) days of said change(s). Substantive changes include, but not limited to, key people, ownership, court proceedings, investigations, bankruptcies, etc.

If you have any questions regarding your status, please contact the Contractor Qualification Unit at (718) 472-8777.

Very truly yours,
